APPLICATION FOR AN ACT

Crown Trust Company and Central Trust Company

WHEREAS pursuant to the *Crown Trust Company Act, 1983* (Ontario), the Registrar under the *Loan and Trust Corporations Act* (Ontario) was granted authority to, *inter alia*, exercise all powers and authority of Crown Trust Company and its officers, directors and shareholders and dispose of all or any part of the business and undertaking of Crown Trust Company:

And whereas the said Registrar, acting on behalf of Crown Trust Company, has agreed to transfer the estate, trust and agency business of Crown Trust Company in the Province of British Columbia and other areas of Canada to Central Trust Company:

And whereas due to the nature of the estate, trust and agency business it is desirable to effect such transfer by Act of the Legislative Assembly so that the rights and obligations of all those who have dealings with Crown Trust Company or Central Trust Company with respect to such estate, trust or agency business may be clearly determined.

Notice is hereby given that Crown Trust Company, as represented by the Registrar under the *Loan and Trust Corporations Act* (Ontario), and Central Trust Company will apply to the Legislative Assembly of the Province of British Columbia for legislation (the "Act") to effect the transfer of the estate, trust and agency business of Crown Trust Company in the Province of British Columbia to Central Trust Company, which Act shall contain provisions summarized as follows:

1. Subject to the exceptions set out in paragraph 5 below, Central Trust Company shall be substituted for Crown Trust Company in respect of every trust or document whereby Crown Trust Company is named to any office or position, including, without limitation, trustee, executor or administrator, under which it holds, administers, man-

ages, or is in the care, custody or control of any property, interest or right in trust for the benefit of any person or purpose.

2. All property held by Crown Trust Company under any trust or document described or referred to in paragraph 1 above is vested in Central Trust Company upon the same trusts and subject to the same rights and obligations as provided by that trust or document, such vesting to be effective, subject to the provisions described in paragraph 6 below, without registration of any instrument in any public office within the jurisdiction of the Province.

3. Any action or proceeding being carried on by or against Crown Trust Company before any Provincial court, tribunal or agency pursuant to any trust or document described or referred to in paragraph 1 above may be continued in the name of Central Trust Company, and any action or remedy that might have been brought or exercised by or against Crown Trust Company pursuant to any such trust or document may be brought or exercised by or against Central Trust Company.

4. The rights of any person having a claim against Crown Trust Company under any document or trust described or referred to in paragraph 1 above are not affected by the Act, but may be asserted against Central Trust Company.

5. The Act shall not substitute Central Trust Company for Crown Trust Company and shall not transfer any property or right from Crown Trust Company to Central Trust Company in respect of the following:

- (a) property owned by Crown Trust Company exclusively for its own use and benefit;
- (b) property situated outside the Province of British Columbia, subject to the right of Central Trust Company to apply to the Court to be substituted as trustee; and
- (c) trusts relating to moneys received for guaranteed investment and any property held by Crown Trust Company in trust with respect to any such guaranteed investment, other than trusts and property held in trust in respect of any registered retirement savings plan, registered retirement income fund, registered home ownership savings plan, deferred profit-sharing plan or income averaging annuity contract, as those terms are defined in the *Income Tax Act* (Canada).

6. Where a person is obligated to make payments in respect of property referred to in paragraph 2 above, the person may make payments to Crown Trust Company until notice is given by Central Trust Company that payment shall be made to it, and for any instrument executed by Crown Trust Company or by Central Trust Company and dealing with property referred to in paragraph 2 above of which Crown Trust Company is shown as registered or legal owner, a recital in such instrument referring to the vesting under the Act shall be binding on both corporations and may be accepted as conclusive by any public office in the Province.

APPLICATION FOR AMENDMENT OF WASTE MANAGEMENT PERMIT PE-4335

THIS APPLICATION is to be filed with the Director of Waste Management, 1810 Blanshard Street, Victoria, B.C. V8V 1X5.

Any person who may be affected by the amendment to Permit PE-4335 described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

Preamble—The purpose of this application is as more fully described below is to amend Permit PE-4335 and the Letter of Transmittal, Appendix 01 and Appendix A thereto.

Amex of Canada Limited, Box 12525, Oceanic Plaza, 1600, 1066 West Hastings Street, Vancouver, B.C. V6E 3X1, hereby applies for amendment(s), as described below, to Waste Management Permit PE-4335, granted on January 12, 1979, which authorized the discharge of effluent from a molybdenum mine-mill located at Kitsault, B.C., to Alice Arm.

AMENDMENTS REQUESTED

1. Because design refinements have eliminated the potential for an accidental tailings spill near the Kitsault concentrator, delete requirement C.2. of the Letter of Transmittal (Emergency Storage Facility) in its entirety.

2. (a) Amend Appendix 01, paragraph (b), as follows:

Before: "prior to seawater mixing is a maximum of 6,000,000 gallons per day (27,500³/d)." Because the total suspended solids characteristic is requested to be deleted (see 2. (b)).

After: "prior to seawater mixing is a maximum of 27 500 metres³/day of total effluent. The total quantity of tailing solids discharged for the mine life shall not exceed 100 000 000 tonnes." The latter figure is

the same as the limit set by federal regulations (AATDR).

2. (b) Amend Appendix 01 paragraph (c) as follows:

Before: "total suspended solids, 400 000 mg/L". Because this characteristic limits the ability to maximize the settling rate of the tailing solids.

After: (delete this characteristic in its entirety).

3. Amend Appendix 01, paragraph (c), as follows:

Before: "pH, 6.5–8.5". Because of the immense buffering capacity of the marine receiving environment the alkaline quality of the tailing effluent has no environmental significance.

After: (delete this characteristic in its entirety).

4. Amend Appendix 01, paragraph (c), as follows:

Before: "dissolved manganese, 0.05 mg/L". Because occasional samples exceed the current limit (although average levels are less).

After: "dissolved manganese 0.30 mg/L". No environmental significance is attached to this amended limit.

5. Amend Appendix 01, paragraph (c), as follows:

Before: "dissolved molybdenum, 1.00 mg/L". Because oxidized ore causes increased molybdenum levels on occasion.

After: "dissolved molybdenum, 5.00 mg/L". No environmental significance is attached to this amended limit.

6. Amend Appendix 01, paragraph (d), as follows:

Before: "a seawater dilution pipeline, de-aeration tank, tailings pipeline, pumps, outfall(s), emergency alarm system, emergency spill facility, and related appurtenances". Because of design refinements mentioned in Item 1., above.

After: "a seawater dilution pipeline, de-aeration tank, tailings pipeline, outfall(s), emergency alarm system, and related appurtenances".

7. Amend Appendix 01, paragraph (3), as follows:

Before: "Lot 6480 (I.W.Fr.), Lot 6482 (I.W.No.4), Lot 6477 (F.F.No.4), Lot 6479 (I.W.No.1), Mineral Claims Access 18, Access 17, M.A-6 Fr., Jan-1 Fr., Jan-14, Access-8, M.A-1 Fr., Jan-20, Jan-22, Jan-24, Kennco Access-25, Kennco Access-24, Access-30, Access-31, Joy-10, Joy-9, Lot 6930 and Lot 64, Cassiar District". Because the original permit application described the site of the works rather than the land from which the effluent originates and did not describe the land at Rocky Point upon which the de-aeration tank and outfall are situated:

After: The land described above in full plus this: "Mineral Claim Alice 463(11), Lot 2248, Cassiar District and Mineral Leases M157 to M191, inclusive, all located within the Skeena Mining Division, Cassiar Land District in the Province of British Columbia".

8. Because the original site plan identified the then proposed marine outfall site near Lime Creek instead of the actual site at Rocky Point: Amend Appendix A, Site Plan attached to PE-4335 by deleting it in its entirety and substituting therefore the Appendix A, Site Plan attached hereto.

This application, dated on October 21, 1983, was posted on the ground in accordance with the Waste Management Regulations.
